Rules Governing Hobbyist Wine Competition

- 1. Entrants must be at least 21 years old.
- 2. The entries will be evaluated by panels of judges selected from accredited tasters, including professionals in the areas of product development, research, education and marketing.
- All entries must have a label attached containing the name of the wine, winemaker's name and the vintage. This must match the Information on the Entry Form.
- 4. Any one wine may be entered in only one Class.
- Entries will be presented blind (identified by code only) to the judges in order of residual sugar (Dry, Semi-Sweet, Sweet).
- In any conflict of classification or criteria, the Judges' Coordinator assumes the responsibility for a final determination.
- 7. All shipments must be prepaid and must arrive at the Florida State Fair between January 20 and January 30, 2018.

Pack well in proper wine cartons.

- Competition management will announce winners in each category during the Fair, in printed form. Medal winners will receive medal(s), ribbon(s) and certificate(s) by mail, as appropriate, by the end of March.
- Wines will be exhibited in the Award Showcase until the day before the end of the Fair. If you wish to pick up your 2nd bottle on February 18th between 11:00 AM and 2:00 PM, you must call or email the coordinator by January 26, 2018

After 2/18/2018 we have no way to secure your wine.

- 10. No refunds for cancellations can be made after the deadline.
- 11. If judges are faced with an obviously flawed bottle, an additional bottle of the same entry will be opened for judging (hence the 2-bottle requirement—1 to judge 1 to display). If your wine goes to the Best of Show round, the second bottle will be opened.
- 12. Awards will be on a merit basis. The judges are instructed to grant no awards when, in their opinion, wines are unworthy, and they are empowered to grant duplicate awards if the quality of the wines so merit.
- 13. Violations of any rules will result in immediate disqualification without
- 14. In case the competition is not held, fees will be refunded in the amount paid, less a pro rata share of expenses for establishing and maintaining entry files.
- 15. Entries delivered to the judging site will be stored in a secure area, but neither the Florida State Fair Authority nor the Florida Wine & Grape Growers Association is responsible for safety of wines.
- 16. Competition results will be posted on the Florida Wine & Grape Growers website during the week following the competition.
